Re: RP Exotic Car Show and Street Dance – February 19, 2011

Dear Z Street Band,

Just a note to let you know how much we appreciated the tremendous program the Z Street Band provided for all of our Members here at Royal Poinciana Golf Club on February 19, 2011 at our Exotic Car Show and Street Dance.

The effort you put in on our behalf to give such an outstanding performance and great music for our street dance resulted in what many have described as one of the best events RP has held. It was a fantastic event and please let all the members of the band know how much our Members appreciated their efforts.

On behalf of RP and as Chair of its Social Committee, I again want to thank you.

Sincerely,

Adrian E. Herbst  
Director
